Treasure of Transylvania - code Hu3.2RoCu

Transylvania was named Siebenburgen (*seven boroughs*) because of the first boroughs built by the Saxons in the area. Boroughs and fortified churches had been built all along the middle ages, some of them existing even nowadays: Alba Iulia, Sibiu, Biertan, Sighisoara, Brasov, and Bran. In the streets of these cities, designed for carriages and coaches, true live museums - you will find the atmosphere of romances and vampire tales.

DAY 1 Budapest - Oradea

Our guide welcomes you at the Budapest Airport and leads you in Oradea for dinner and accommodation. You'll cross the old centre of the town or the Varadinum Citadel as it was called in Latin.

DAY 2 Oradea - Bears Cave - Girda - Turda

From Oradea you'll travel to Bears Cave which got its name from the skeletons of some very old species of bear that were found here. Visit the Open Air Museum in Chiscau with its old cars and domestic objects. You'll then cross the mountains through Vartop Pass and enter Motzilor Land. Here you'll have a nice traditional picnic lunch at the entrance of *Poarta lui Ionele* cave. Depart for Turda to visit one of the most beautiful and original salt mines in the world - Turda's Salt Mines.

DAY 3 Turda - Turzii's Gorges - Lazarea

Your day begins with a nice challenging walk through Turzii's Gorges, the most important Reservation in the Apuseni Mountains! In Targu Mures you'll visit Teleki Palace. Cross Seklers land, admire on the way the noble castles Lunca and Iernut, and stop in Lazarea, a typical sekler village for dinner and accommodation in country-inns.

DAY 4 Lazarea - Red Lake - Miercurea Ciuc - Brasov

In Lazarea you'll visit the castle of the noble family Lazar and the monastery near by. You'll then head to Red Lake also called Killer Lake and in the area we can have a nice easy walk through Bicazului Gorges. On the way to your accommodation in Brasov, you'll visit Ciucului's Sekler Museum in Miercurea Ciuc and The Museum of Mineral Water in Tusnad.
